Dear friends,

This year, I would like to purchase some new training equipments for the UWA Karate Club, i.e. Kick pads, shields, focus mitts, etc. because all our equipments are getting rather old and frankly, unusable.

As you all know, we are a non-profit club. This unfortunately, hinders our ability to accumulate funds to purchase such basic necessities.

At the moment, I'm targeting to get 4-5 new kicking shields, and 4-5 kicking pads. Each shield costs around \$100 and each pad costs around \$30.

Ideally, I'd like to reach a \$600 target.

Therefore, I will deeply appreciate and gladly accept any fundraising suggestions, or simple donations towards our new equipment fund.

We will be selling our old, worn out kicking shields for \$30 each for anyone who wishes to purchase these for their own purposes. The funds from these will go towards buying our new equipments.

I sincerely believe that this is a worthy investment. The future of our young and promising karatekas, and essentially the well being of the club depends on our capacity to nurture and train them. And what better way to do so than to provide them with some serviceable training equipments?

Please do not hesitate to contact me on 0438 997 908, or Email to longli.l@karate-uwa.com.au, if you wish to purchase our 2nd hand kicking shields, or make a donation/suggestion.

Sincerely,

*Longli Loei*
